"URGENT" CHANGE OF PROGRAMME

Monday 1st August 2011

CHANGE OF PROGRAMME - We are very fortunate indeed to obtain the following replacement speaker who will replace Clint Denyer who we can only assume is not now available through illness. Despite many efforts by both E Mail and telephone since last Tuesday we have been unable to get a single reply from him. We had to make a decision on Saturday to obtain a replacement speaker and did our best to get a very similar subject matter. In any event we wish Clint a speedy recovery if indeed illness is the cause of his lack of any communication with us.

■ **MONDAY 1st AUGUST 2011** - Open 7.30 PM for FREE refreshments - 8.00 PM start

"The Fear of Change Heading Towards 2012"

An evening you won't forget with the extraordinary Dex Dobie

In tonight's presentation we will be viewing the impossible when compared to most people's version of what is called "normal". We will be searching for answers that have been asked since the dawn of this recent cycle of experience, as it now draws to a close, as we head towards 2012. If you have an enquiring open mind, what will be shown to you in this presentation should leave you with many questions that ultimately may change the way you think and feel about your present understanding of life. Dex's website can be viewed at www.dexdobie.com Come along, sit back, fasten your seat belt and prepare for a rollercoaster ride with the extraordinary Dex Dobie.
