January 2009

## QUARTERLY NEWSLETTER

### NEW HORIZONS PROGRAMME - JANUARY TO MARCH 2009

We're delighted to enclose the programme for January, February and March 2009 which we think continues the high standard that we have set and there really should be something there for almost everyone as the range of topics covered this coming quarter is quite amazing with some exceptional speakers and presentations.

Attendances are still well up on last year and up to Monday 1st December 2008 are up by over 93% on last year, so if you haven't been for a while, come on down and you'll also find loads of interesting people to talk to as well as a fascinating mix of topics covered in our presentations.

The Big Screen Film Nights once a month are proving very popular indeed as we can show essential information films that are not readily available to the general public, and the effect of seeing them on an 8 ft screen with loudspeakers is proving to be a great night out as well as really getting the films important messages across.

If you've missed any of the previous films or are unable to get to the ones listed in this quarter, then simply make a cheque out to "New Horizons", and post to the address below, for £5 for each DVD you require and we'll send any of them to you. All proceeds go to New Horizons and will be used to fund an up to the minute sound system which we hope to purchase within the next three months.

We'd be really pleased if you would copy the programme to your friends & contacts, and tell them about the wealth of fascinating and interesting talks and essential information that we have at New Horizons. Why not bring them along with you. You could also get a copy of the current months programme in your local newsagents window, your local library notice board etc. Remember, it's your group too. If there's a good speaker that you would like to see at New Horizons, remember to let us know and we'll check them out.

If any of your friends are "waking up" and starting to question everything then bring them along to introduce them to all the Mind Body and Sprit, Hidden News & Alternative Health information that they may once have been sceptical about. Give them a copy of the programme - where else can you get a great night out amongst like minded people and also be entertained all for only £3. We really do look forward to seeing you all at New Horizons where you can catch up with a lot of old friends and certainly make some new ones.

Best wishes from all the team - Chrissy, Jen, Rob, Michael and James.

*Note: If you want to be removed from our mailing list simply advise us*
