## QUARTERLY NEWSLETTER

### NEW HORIZONS PROGRAMME - JULY TO SEPTEMBER 2009

First of all I'd like to genuinely and sincerely thank you all for your continued support, particularly the many people who regularly travel a fair distance to be with us.

We must be doing something right because attendances continue to rise even though 2008 was a massive 93% up on 2007, we've still increased by 17.4% to the end of June 2009 compared with the same period last year.

Anyway this coming quarter is an absolute belter, with every speaker an absolute cracker, and in the main they are big venue speakers. We're really privileged to have people of their calibre who now consider New Horizons St Annes a worthwhile venue to speak at, with many of them travelling long distances to do their presentations.

Presentations are by **Mark W Foster** "Sharing The Magic: The World: But Not As We Know It", **Tony Gosling** "The Invisible World Government AND The Truth And Lies Of London 7/7", **Frank Willis** "Music And The Human Soul", **David Boyle** "The Brow Chakra: The Process Of Ascension", **Grace Brown** "The Five Elements Of Positive Energy", **Ian R Crane** "We Are Being Lied To...So What Are We Going To Do About It", **Brian Gerrish** "State Of The Nation: Why Doesn't Anything Work Anymore!" and **John Harris** "It's An Illusion: Seeing Through The Trick".

There's also a couple of exceptional "Big Screen Film Nights" - "**The Obama Deception**" and "**Ozone: A Medical Breakthrough**" both of which give truly stunning and essential information.

We'd be really pleased if you would copy the programme to your friends & contacts, and tell them about the wealth of fascinating and interesting talks and essential information that we have at New Horizons. Why not bring them along with you, because in these difficult times knowing the provable truth can really make a huge difference to your health and your wealth and even your state of mind. You could also get a copy of the current months programme put up in your local newsagents window, your local library notice board etc. Remember, it's your group too.

Where else can you get a great night out amongst like minded knowledgeable people, get great information, get free refreshments and also be entertained all for only £3.

We really do look forward to seeing you all at New Horizons where you can catch up with a lot of old friends and certainly make some new ones.

Best wishes from all the team - Chrissy, Jen, Rob, Michael, James
